PT 20

Commercial Treadmill

Looking to elevate your members' fitness experience? The Steelflex **PT20** Commercial Treadmill is designed for those who are serious about performance. With an incline and decline range of -3% to 15%, this treadmill replicates outdoor terrain, making training more dynamic and effective.

Built for durability and power, it features a 5 HP motor and a speed range of up to 15.5 mph, ensuring high-intensity workouts. The extra-large cushioned running area absorbs impact, allowing for longer and more comfortable runs. Plus, with 22 training programs and real-time performance tracking, users can push their limits like never before.
