POWER UP UNLEASH STRENGTH ELEVATE NOW

CLPR-380

Transform your workout experience
with our power rack today!

Are you tired of being limited by your gym equipment? Look no further! **Our Club Line Power Rack** is designed to provide you with the freedom and flexibility you need to achieve your fitness goals.

Unmatched Versatility: With its adjustable safety positions and 14-position gunrack, you can perform a wide range of exercises, from squats and bench presses to pull-ups and rows.

Durability and Strength: Built with heavy-duty 13-gauge steel, this power rack can handle even the most intense workouts.

Efficiency and Convenience: The ability to walk the bar up and down without removing plates saves you time and effort.

Customization Options: Add a lat attachment to expand your workout possibilities and target different muscle groups.
